TO CRISTIANO MATOS

PRESIDENT OF THE EUROPEAN

ASSOCIATION OF PHARMACY TECHNICIANS

Dear Mr. Matos,

It was an honor and a pleasure for me and my colleagues from the Bulgarian Association of Assistant Pharmacists (BAAP) to meet you and your colleague Joao Joachim as representatives of the European Association of Pharmacy Technicians.

We greatly appreciate your effort to strengthen the recognition of EAPT across Europe as representatives of pharmacy technicians and the support show to our quest for national recognition.

Our upcoming Fifth Anniversary Conference of the Bulgarian Association of Assistant Pharmacists will be held on 8th and 9th of June in the city of Varna. It will be under the motto

"Affirmation and Cooperation for Prospective Professional Development of the Assistant Pharmacists".

We plan to include in the program a panel with information about our meeting in Stara Zagora. We invite you to participate in a short video address to the attendees in the conference. In it you can present the mutual cooperation with the Bulgarian Association of Assistant Pharmacists for achieving the much needed national recognition for the importance of the profession. The needed change of the Bulgarian legislation will provide rights for dispensing Rx medicines which will solidify our statute as needed pharmacy staff in the daily healthcare of the population.

We would be very grateful if you could accept this proposal of ours as the first step of our future cooperation.

Best Regards,

Lilyana Petrova
